

I am good at solving
jigsaw puzzles and
mazes.

Graphs and charts help
me to understand
information more
clearly.

I enjoy making posters
and models to practice
what I am learning in
class.

I enjoy taking things
apart and putting them
back together.

When I am learning
how to spell a word, I
learn best by drawing
the letters with my
fingers.

I learn better when I
am able to hold an
object in my hand.
