PBL Orders

-Think about supplies that you can keep year after year when placing orders. We will not have seed fund money to spend after this year. Think about consumables you need and order those materials with grade level money from Cathy.

-Be specific with what you would like to order. Give prices if possible. I can help you look for items if you need help for a specific item.

Save to Server Folder

Please save all digital resources you have for the unit on the grade level server (PBL Folder). I will create a new folder for the 2nd Semester Unit.

Speakers

Please let me know ASAP if you would like me to arrange an assembly or speaker as part of your PBL Unit.

Technology Integration

Let me know if you need my support.

Display/Presentation

-Please be sure to discuss this and fill out the form for Museum Night to Crissy.

-Display should include specific items listed on form (Bulletin Boards between classes).

-Bulletin Boards on N hall will be decorated with examples from Semester 1 Units.
